

Introduction To Obagi Professional C Portfolio – Address The Appearance Of Aging Skin

Dubai, Oct 6, 2020 ([Issuewire.com](https://www.issuewire.com)) - [Dansys Global](#), a Leading aesthetic medical equipment supplier now provides Obagi's professional C. Obagi's professional C is a line of Vitamin C products that defends against the visible signs of skin aging and gives young and radiant skin. The Key Ingredient of the product is Vitamin C, Hyaluronic Acid and Antioxidants and formulated with L-ascorbic acid the most efficacious form of vitamin C that is absorbed by your skin. Thus ensure getting all the goodness of Vitamin C and protect the skin from harmful UV damage. It also brightens visible hyperpigmentation present in the skin and boosts the growth of collagen and elastin fibers which results in younger-looking skin. Moreover, hyaluronic acid retains the natural moisture on the skin and prevents dryness.

The Obagi professional C comes with a range of products right from serum to polish mask, eye brightener, and even sun care. Trusted by the number of dermatologists around the world, Obagi professional C products are designed to help minimize the premature signs of aging, hyperpigmentation, acne, sun damage, and more. Using clinically proven key ingredients, it offers the most effective skin care systems in the beauty market. Moreover, Obagi professional C has one of the highest rates of efficacy that assures you're getting the right treatments for your skin type.

About Dansys- Leading aesthetic medical equipment suppliers

Dansys Groups is founded in 2007 and has evolved into one of the leading medical equipment distributors and consultants in the Gulf region and has been witnessing a remarkable growth rate.

Dansys' key to success is an unwavering commitment to pushing the boundaries of the medical business by introducing breakthrough technologies, as well as a versatile portfolio of global products of

the utmost quality, into the region.

According to Mr. Jamil Maalouf, CEO of Dansys Groups “Our mission is to enable the UAE, the gateway to the Gulf region, to be the #1 medical hub”

Dansys turned to global innovation to find state-of-the-art solutions for customers within the Gulf region. As a highly effective, forward-thinking, and collaborative team, Dansys enables the UAE region to be the number 1 medical destination. Jamil stated that “We strongly believe in building hand-in-hand collaborations and take pride in being a name that medical businesses can trust. Our clients’ and suppliers’ success is truly our success.”

Dansys Group’s success story is underpinned by its strategy for continuous growth and viable presence in the region. This has earned the group an enviable and proven record of market credibility that it intends to maintain. [Contact us to get a quick quote](#) or chat with the customer services team today.
