

Joseph H. Park, MD, an Internist in private practice

Get to know Internist Dr. Joseph H. Park, who serves patients in Los Angeles, California.

New York City, Oct 2, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Park is a well-versed internist in private practice in Los Angeles, California. He focuses on the diagnosis and treatment of conditions that affect the adult population - both acute and chronic - as well as health promotion and disease prevention.

Patients have excellent things to say about him, one stating "I have been seeing this doctor for many years and I can say he is very thorough and knowledgeable. Always kind and tries his best to help with any issues I have."

The doctor's acclaimed career in medicine began after he earned his medical degree from Yonsei University College of Medicine in 1983. Upon relocating to the United States, he went on to perform his residency in anatomic and clinical pathology at Rutgers Robert Wood Johnson Medical School, followed by his residencies in internal medicine and pediatrics at Rutgers New Jersey Medical School.

With over four decades of experience in his field, Dr. Park is board-certified in internal medicine by the American Board of Internal Medicine, a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world. He is licensed to practice medicine in California, New Jersey, and Pennsylvania.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.

On a more personal note, Dr. Park speaks English and Korean.
