

Kyle Knabb, DO, an Internist with Dopson Family Medical Center - Ed Fraser Memorial Hospital

Get to know Internist Dr. Kyle Knabb, who serves patients in Macclenny, Florida.

New York City, Oct 23, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Knabb is a board-certified internist at Dopson Family Medical Center - Ed Fraser Memorial Hospital in Macclenny, Florida.

“At Dopson Family Medical Center, our Internal Medicine physicians manage all aspects of adult general health care from routine preventive care to advanced management of complex diseases. With

our doctors, you'll receive preventive care and disease prevention strategies and referrals to specialists if needed. This style of collaborative ensures you get the comprehensive care you need to maintain a healthy lifestyle" as stated on their website.

Before embarking on his medical journey, Dr. Knabb graduated with his Doctor of Osteopathic Medicine degree from Nova Southeastern University College of Osteopathic Medicine in 2009. He then went on to complete his internship and residency at Broward General Medical Center.

With a focus on internal medicine and family practice, he is board-certified through the American Osteopathic Board of Internal Medicine (AOBIM). The AOBIM is an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the prevention, diagnosis, and treatment of disease in adults.

Internal medicine is the medical specialty dealing with the prevention, diagnosis, and treatment of adult diseases. Physicians specializing in internal medicine are called internists. They manage and prevent common and complex diseases by providing comprehensive care and promoting overall well-being.
