His YouTube channel is official and he has made an official remix for world famous artists such as TechN9ne (American rapper) and Billie Eilish (American singer-songwriter). Having loved music since he was a child, he considers music to be the soul in the body of this world. I have been looking for cassette tapes since I was a child. The quality was low but I did not fall short. I recorded the music on metal cassette tapes. My dad loved music and bought me a Yamaha keyboard. I played for hours. In the end, I came across long journeys with different cultures in music , Music is my whole life.
