New York City, Oct 5, 2020 ([IssueWire.com](https://www.issuewire.com)) - The key to innovation is knowing when you have a great idea. Nathaniel the Great, born in Brooklyn and raised in Fort Greene Projects, has always had a knack for technology. Although music is his first love, he developed a love affair in tech. His vision was to create a direct access point between him and his fans. “What if there were no streaming services,” he said. “We would still need a way to get the music to our fans digitally”. The Nathaniel app also includes a chat function where fans can reach him at any time. It also includes videos, photos, and everything you need to know in real-time. This is a time to be as creative as possible. Nathaniel is on the front lines to lead a new generation.

You can download the Nathaniel App simply by going into the AppStore in your Mobile phone or tablet and searching “Nathaniel”, or by clicking here www.NathanielOnline.com on your mobile device.
