

# **Not Your Average Beach Towel! Kinyatta E. Gray Designs Beach Towels With Images of Women of Color**

Changing the look of beach towels one at a time.

**Washington, D.C, Oct 14, 2020 ([Issuewire.com](https://www.issuewire.com))** - This summer, Kinyatta added 'designer' to her resume with the release of FlightsInStilettos latest [2020 Glam Girl Beach Towel Collection](#) (the second beach towel collection for the brand).

The beach towels feature beautiful images of women, relaxing on the beach, in bold colored bikinis and one piece swimsuits.

According to her website, "With her fun beach towel brand, she's calling for diversity in travel/leisure and making an impact by exposing why representation matters, and the lack of Black images in travel. "

Kinyatta discovered the lack of diversity and images (in general) on beach towels when searching for the perfect beach towel for a dream vacation.

Two years later, the FlightsInStilettos Glam Girl Beach Towels are making a splash!

Beaches are finally opening up! What's better than laying on the beach with a glamorous beach towel?

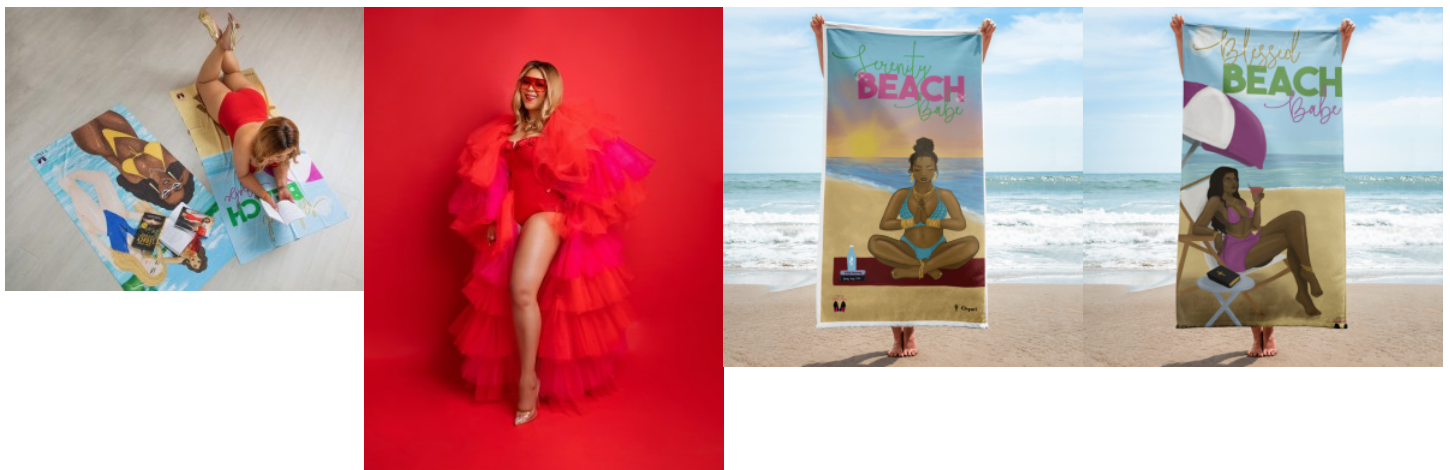

The travel season isn't over, it's just now getting started!

Gone are the days of tattered, old and worn out beach towels. The FlightsInStilettos Glam Girl Beach Towels are here to stay!
