New Delhi, Oct 4, 2020 ([Issuewire.com](https://www.issuewire.com)) - Here is great news that can make frequent travellers and travel lovers rejoice. A travel information portal Chaloghumane.com is launched by DigitalWala, India's best Digital MarTech (marketing & technology) company. Focused on providing genuine information

about unexplored travel places in India, ChaloGhumane.com is expected to fill a big gap in the tourism sector due to lack of a reliable portal on offbeat travel destinations in India.

Mr A.K. Sharma, a C-suite executive with DigitalWala, stated, "Our objective is to provide authentic and useful information on unexplored travel destinations, a dedicated portal where travellers can get all the information about the specific destinations. The site features one may get information on desired places. A simplified interface, well-tested features, and one-click access to all the relevant information would make things easier to travellers."

ChaloGhumane.com was launched on World Tourism Day, 27th September 2020 in New Delhi online. What makes this portal stand out is that it is not just another website in the tourism sector. All important information will be up there but without clutter, making it much easier for the travellers who are looking for the information. Travellers would get all genuine information about offbeat travel destinations at a one-stop portal. Backed by a team of experienced travel professionals, the site is sure to make its presence felt.

After thorough research on what the users look for on a holiday information portal, the management of ChaloGhumane.com has put up sections like hill stations, nature, and religious; domestic, international on the website. As Mr Sharma explained, "We will try to avail all facts including itineraries on the particular destination so that visitors can get enough information to make their travel decisions easily. Our aim is to assist to reduce the travel hurdles of visitors. ChaloGhumane.com does not sell any travel products itself. We inform travellers what hotels, holidays and travel destinations are available and where to find them. Visitors can choose and purchase directly with travel providers."

The website (www.chaloghumane.com) will be updated regularly with bona fide information on domestic and international offbeat destinations. Tourists will also be able to get all the information what they required regarding holiday packages, hotels in the specific city etc.
