Get to know Cosmetic Surgeon Dr. P. Alexander Ataii, who serves patients in San Diego, California.

New York City, Oct 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Ataii is a skilled skincare specialist who focuses on all aspects of the skin, both diagnostic and cosmetic. He opened his San Diego Med Spa known as Laser Clinique in 2005 in Coastal San Diego, California to provide his unique service throughout the county.

With an innovative approach to skin and body care, Laser Clinique integrates cosmetic dermatology, cosmetic surgery, spa services, and aesthetic therapy in a state-of-the-art facility. To date, Dr. Ataii and his staff have performed over 100,000 laser hair removal treatments, 25,000 botox treatments, 20,000 dermal fillers, 7,000 laser tattoo removal treatments, 5,500 laser resurfacing procedures, 12,000 acne & acne scar treatments, 17, 500 IPL treatments, and more than 3,000 PRP procedures.

“Non-invasive cosmetic surgery allowed me to blend my passion for the human form using art, architecture, and technology in a non-invasive method to create perfect symmetry as it relates to the human form and anti-aging” as stated by the doctor.

Offering the perfect blend of aesthetics and science, Dr. Ataii is best known for his professional honesty, warm demeanor, comforting personality, and abundant contributions to the field of skincare & laser surgery. He is currently on the medical staff at Scripps Memorial Hospital, La Jolla, and the preceptor for clinicians throughout the country for multiple laser manufacturers. He is also a speaker/trainer for Allergan, the makers of Botox Cosmetic, Juvederm, Latisse Solution, and SkinMedica. He has achieved Black Diamond Status with Allergan, which places him in the Top 50 of 30,000 providers nationwide.

A 2002 graduate of the Ross University School of Medicine, Dr. Ataii went on to perform his residency at the LAC+USC Medical Center in 2005. Before long, he became board-certified in plastic surgery through the American Board of Plastic Surgery, whose mission is to promote safe, ethical, efficacious plastic surgery to the public by maintaining high standards for the education, examination, certification, and continuous certification of plastic surgeons as specialists and subspecialists.

Among his professional affiliations, he is a member of the American Academy of Laser Medicine and Surgery, the American Academy of Anti-Aging Medicine, and the American Academy of Cosmetic Surgery.

Thriving in his field, Dr. Ataii has been featured in various magazines, on national television such as NBC and ABC, as well as talk shows for his contributions to the field of aesthetics. He has been featured for his work on fractional laser resurfacing in Aesthetic Trends & Technologies magazine and has been interviewed as the expert in Aesthetic Medicine.

Cosmetic surgery is a unique discipline of medicine focused on enhancing appearance through surgical and medical techniques. It can be performed on all areas of the head, neck, and body. Because treated areas function properly but lack aesthetic appeal, cosmetic surgery is elective. Cosmetic surgeons (also known as plastic surgeons and esthetic surgeons) are medical doctors who specialize in surgeries to correct disfigurement and/or improve physical appearance.

Among his most notable achievements, Dr. Ataii has been honored by receiving the Patients' Choice Award (2007 through 2019), Compassionate Doctor Recognition (2009, 2010, 2011, 2012, 2013, 2014,

2015, 2018), On-Time Doctor Award (2009, 2014, 2015, 2016, 2018), Patients' Choice 5th Anniversary Award (2012, 2013, 2014, 2015, 2016, 2018), Compassionate Doctor Award - 5 Year Honoree (2013, 2014, 2015), Top 10 Doctor - Metro Area (2014), and Top 10 Doctor - City (2014). He has also been honored as one of the TOP 10 in his specialty in California for 10 years in a row and has won the "Best Non-Surgical Facial Rejuvenation Enhancement" by the national Aesthetic Guide Journal in 2011.
