

Press Release -- Haitian Sensation Summer Lyan Is All Set To Release His Hottt Debut Single "Out Of Darkness"

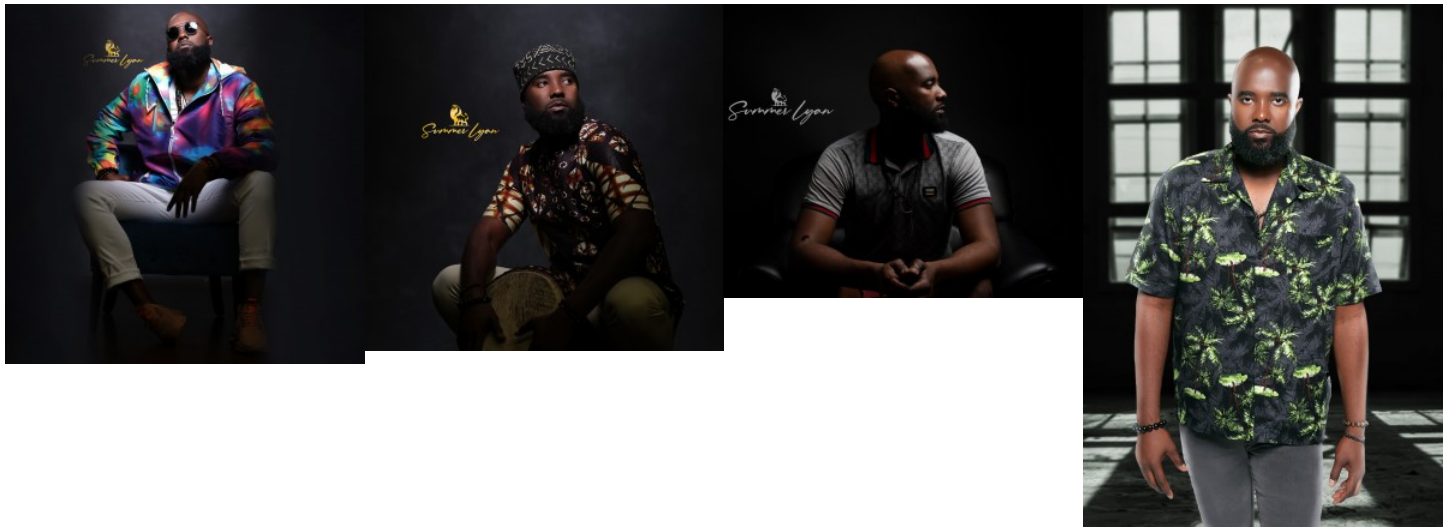

"His music is good food for the soul, straight from the Universe"

Atlanta, Oct 10, 2020 (IssueWire.com) - Haitian Sensation Emmanuel Francois, also known as "Summer Lyan, is currently in the Depth Sound Studio cooking up an electrifying, breathtaking, show-stopping, 6 track EP titled "RISE ABOVE", which will be released very soon. His uptempo debut single "OUT OF DARKNESS", is scheduled to be released 10.10.2020. The ingenious, feel-good, hip-hop tune written, sung and produced by Summer Lyan is intricately laced with memorable lyrics that will be awe-inspiring to all who hear it. Growing up as a child in Port-au-Prince, Haiti, Emmanuel was strongly influenced by Bob Marley and his positive messages. He was encouraged to nurture his quest to spread the message of love to the world through music as well. He is the brilliant singer, producer, mixing, and acoustic engineer, that owns and manages Depth Sound Studio. As a singer, Summer Lyan has

perfected his vocal capabilities. His intoxicating voice complements and intensifies any beat or genre of music. As a producer, he is competent, driven, and able to enhance any genre of music. His elaborate catalog of beats and meticulous way of producing provides a unique sound that caters to each individual. As an engineer, he is a perfectionist that has fine-tuned his focus and he won't stop until the job is finished.

He is such a peaceful and passionate soul that is energized by a positive vibe that is contagious and captivating. That same passion and energy are exuded through his music. His message to everyone is simple... "LOVE".
