A [Wholesale Jewelry Manufacturer](#) Celebrates Its Success By Adding Rare Gemstones

Rananjay Exports announced its achievement of establishing its footprints in four major countries, viz., the USA, the UK, Australia, and India. They are celebrating this iconic moment by giving more to their clients. They are adding new gemstones of rare categories to their extensive collections with better researched and well-thought designs. This addition will bring more than 1000 jewelry designs and 100 gemstones to choose from for their customers. Deciding new targets for the years to come, Rananjay Exports is all set with its new inventory. This will include rings, earrings, bracelets, necklaces, pendants, anklets, and men jewelry.

The company uses the latest technology to produce the gemstone jewelry to create perfect designs with a rare chance of any defect that maximizes customer satisfaction. The technology also ensures the effective and efficient production of jewelry to keep the prices favorable.

The company's founder said that now they are planning to expand their reach to more places in the world and become the trusted wholesale jewelry partner for as many retailers as they can. The complete information is not disclosed yet. Making retail gemstone jewelry businesses grow beautifully is one of their aims. The company is also impacting the wholesale jewelry industry with its business ethics and practices. They claim to have the most ethical ways of sourcing the gemstones for the jewelry.
