

Ritchard C. Rosen, DPM, a Podiatrist with Northeast Podiatry Group

Get to know Podiatrist Dr. Ritchard C. Rosen, who serves patients throughout the State of New Jersey.

New York City, Oct 20, 2020 ([Issuewire.com](http://www.Issuewire.com)) - Dr. Rosen is a highly trained podiatrist specializing in

the treatment of the foot, ankle, and related parts of the leg. His specialties include foot and ankle trauma, reconstructive foot and ankle surgery, diabetic foot and wound care, joint replacement surgery, ankle arthroscopy, radiofrequency ablation, and sports medicine.

He practices at Northeast Podiatry Group, seeing patients at the offices in Englewood, Teaneck, and Rockleigh, New Jersey. "My goal is to provide comprehensive quality foot and ankle care for all ages, and develop a long-term relationship to afford pain-free activity" expressed Dr. Rosen.

Licensed in New Jersey, New York, Florida, and Pennsylvania, the doctor currently serves as Chief of the Division of Podiatric Surgery at Holy Name Medical Center in Teaneck, New Jersey. He is also affiliated with Englewood Hospital and Medical Center, Metropolitan Surgery Center, Orthopedic Specialists of New Jersey, Jewish Home at Rockleigh, Regent Care Center, Care One in Teaneck, and Woodcrest Center.

In addition to his clinical practice, he serves on the adjunct clinical faculty at the University of Medicine and Dentistry of New Jersey - Newark Campus & Touro College of Osteopathic Medicine.

A lifelong resident of Bergen County, Dr. Rosen is a graduate of Boston University and the Temple University School of Podiatric Medicine. He completed a residency in podiatric surgery at Giuffre Medical Center in Philadelphia, Pennsylvania.

Following his training, he attained board certification in foot and ankle surgery through the American Board of Foot and Ankle Surgery (ABFAS). The ABFAS strives to protect and improve the health and welfare of the public by advancing the art and science of foot and ankle surgery.

A Fellow of the American College of Foot and Ankle Surgeons and a Fellow of the American Professional Wound Care Association, Dr. Rosen is a member of the American Podiatric Medical Association and the New Jersey Podiatric Medical Society (where he served as President of the Northern Division).

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremity. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremity. They can treat injuries and complications from ongoing health issues like diabetes.

Named one of the Top Doctors in Podiatric Surgery by New Jersey Monthly and a Top Doctor by Bergen Magazine, Dr. Rosen has over three decades of experience in his field. He lectures and has published numerous articles and textbook chapters concerning surgery and conditions of the foot and ankle.

Outside of practicing medicine, his hobbies include baseball, golf, basketball, hockey, and football. He speaks English and conversational Hebrew.
