A group of ragtag artists know the show must go on and have set their sights on San Diego. Displaced and disrupted, their craft will be shown. In a dreamscape, they are transported through space and time grounded only by their desire to share what they've worked so hard for, but this desire takes them further than they realize.

Come along on the adventure!

San Diego Circus Center has selected locations throughout the county where you will witness a themed based performance all brought together during our live broadcast December 20th from 5 pm to 6:30 pm. Come join us in our journey which will have some unexpected surprises and memorable moments. Teeterboard in the desert, Handstands at a landmark cafe, Aerial on bridges, etc... Acts will include: **Teeterboard, Handstands, Aerial Lyra, Aerial Straps, Tramp Wall, Aerial Rope, Tight-wire, Clowning, Tumbling, and Contortion!**

This is a performance not to be missed and we bring the show straight to you through our mixed-media broadcast.

You can't come to the show, so we are bringing the show to you!

SDCC brings you "Circus San Diego". Covid 19 will not stop our 18-wheel truck from delivering exceptional performances to you. Over the next few weeks, acts will be performed and filmed throughout the city, culminating in a one-of-a-kind Livestream hybrid performance.
