

SB Aesthetics Medical Spa Santa Barbara Introduce New Location to Expand Its Skin Treatment Service

A leading medical Spa in Santa Barbara, SB Aesthetics, announces its new location to expand its skin rejuvenation service to reach more patients in Santa Barbara and surrounding areas.

Santa Barbara, Oct 6, 2020 ([Issuewire.com](https://www.issuewire.com)) - SB Aesthetics, a leading [medical spa Santa Barbara](#), has announced a new office location to improve its service and to reach more patients in Santa Barbara., CA. Their new location is located at 601 E Arrellaga St #101, Santa Barbara, CA 93103, and has opened its service since September 20, 2020. According to the SB Aesthetics medical spa representative, who is also a plastic surgeon at SB Aesthetics, Robert W. Sheffield, their new location has larger and more spacious facilities. Therefore, they can improve their service better than in the previous location. *"We have moved our office to a new location for improving our service. At SB Aesthetics, we strive to meet or exceed our patients' expectations, and facilitate our medical spa with sophisticated equipment for the best result,"* said Dr. Robert W. Sheffield, MD. Dr. Robert Sheffield is one of the best plastic surgeons in Santa Barbara and has experienced performing traditional cosmetic procedures for over thirty years.

SB Aesthetics Medical Spa Santa Barbara Services

SB Aesthetics is a prominent and experienced medical spa with various skin rejuvenation services. This aesthetics medical spa offers [lip injections Santa Barbara](#) and other services such as botox, liquid facelift, cheek enhancement, rhinoplasty, acne treatment, Juvederm, and many more. Their procedures are performed with minimally invasive and non-surgical procedures, making less risky procedures and fast recovery. Moreover, besides non-surgical procedures, there are also surgical procedures, such as facelift, blepharoplasty, ear surgery, lip reduction, microneedling, aesthetic laser treatment, and many more. All of the aesthetic procedures at SB Aesthetics utilize advanced, and FDA approved equipment. Prior to the aesthetic procedures, the patients will be given a consultation session to consult the type of treatment to be carried out with the medical spa staff or the surgeon doctor. This way, they can get more comprehensive information and maximum results.

SB Aesthetics Service Areas

SB Aesthetics is currently offering its medical service, including [Botox Santa Barbara](#) on the Santa Barbara and surrounding areas, including San Luis Obispo, Oxnard, Santa Maria, Ventura, and many more.
