

Srishti Textile : Emerging Fashion Start-up from Jaipur

Jaipur, Nov 7, 2020 ([Issuewire.com](https://www.issuewire.com)) - In a recent time when industries are suffering around the globe due to pandemic crises - people in Jaipur are creating opportunities in this retracting market.

Here, Start-ups like Srishti Textile who are known for their [Dress Material and Suit Material Collections](#) are now restarting the mass level productions of Hand Block Print [Bedsheets Manufacturing in Jaipur](#). This initiative is eyed to recreate the legacy of wooden block printing in home decor sector.

Team of Srishti Textile is re-creating the designs favoured during the post-independence era and launching them in the modern world. For this, they are contacting experts from the industry like veteran Mr Haridwar Sharma, a 75-year-old master printer and designer from the area.
