

Stanley Skopit, DO, MSE, FAOCD, FAAD, a Dermatologist with Advanced Dermatology and Cosmetic Surgery

Get to know Dermatologist Dr. Stanley Skopit, who serves patients in Margate, Florida.

New York City, Oct 8, 2020 ([Issuewire.com](https://www.issuewire.com)) - Dr. Skopit, a well-respected dermatologist, is in practice with Advanced Dermatology and Cosmetic Surgery in Margate, Florida. His practice is devoted to general and cosmetic dermatology, which includes the diagnosis and treatment of diseases associated with the skin, hair, and nails.

The doctor and his staff have a keen interest not only in treating dermatological diseases, but also helping their patients to improve their appearance through facial rejuvenation, utilizing modalities such as lasers, chemical facial peels, collagen implantation, as well as BOTOX® and Restylane for facial lines and wrinkles.

Advanced Dermatology and Cosmetic Surgery is the largest network of medical, surgical and cosmetic dermatology experts in the United States. They use a combination of knowledge, experience, compassion and leading-edge technology to treat the unique medical and cosmetic/aesthetic needs of patients, and have dedicated themselves to delivering a remarkable patient-care experience.

In practice since 1981, Dr. Skopit was the CEO and President of A Center For Dermatology before joining Advanced Dermatology and Cosmetic Surgery. He was recently elected to the Board of Trustees of Des Moines University.

As a physician and educator, he serves as Chairman of the Department of Dermatology at Larkin Community Hospital and as a Clinical Professor of Dermatology at Nova Southeastern University, Health Professions Division. He is the Program Director of the dermatology residency training program, as well as the Mohs and dermatopathology fellowships. The training programs are affiliated with Larkin Community Hospital in conjunction with Nova Southeastern University College of Osteopathic Medicine.

Following the completion of his Doctor of Osteopathic Medicine degree from the Des Moines University of Osteopathic Medicine and Health Sciences in 1977, Dr. Skopit went on to further his training. He performed his residency in dermatology at Nova Southeastern University Affiliated Hospitals in 1981.

Thereafter, he attained board certification in dermatology through the American Osteopathic Board of Dermatology, an organization that provides board certification to qualified Doctors of Osteopathic Medicine who specialize in the medical and surgical treatment of disorders of the skin.

Throughout his fruitful career, Dr. Skopit has authored numerous articles for prominent dermatology journals and has co-authored a chapter on dermatologic diagnosis in a major textbook. He is a Fellow of the American Osteopathic College of Dermatology (FAOCD - past President), a Fellow of the American Academy of Dermatology (FAAD), a member of the American Osteopathic Association, and a member of the American Society for Dermatologic Surgery.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.
