

Susan Beth Haley, RN, a Registered Nurse Who Is Retired From Practice

Get to know Registered Nurse, Susan Beth Haley, who is currently residing in Barrie, Ontario.

New York City, Oct 9, 2020 ([IssueWire.com](https://www.issuewire.com)) - Susan is a registered nurse who is retired from practice. During her active years on the job, her areas of nursing specialization focused on medical-surgical nursing, critical care nursing, trauma, postoperative care, and operating room nursing.

Graduating with her nursing degree from Toronto East General and Orthopaedic Hospital School of Nursing in 1972, Susan attributes her extensive career to her love of nursing, her ability to help patients in any way that she could and teach new nurses, as well as she strive to make a difference.

A Registered Nurse (RN) is a nurse who has graduated from a nursing program and met the requirements outlined by a country, state, province or similar licensing body to obtain a nursing license. RNs fulfill a variety of job duties. In addition to their primary role in treating and caring for patients, their responsibilities also include educating patients and the public about a variety of medical conditions, as well as providing emotional support and advice to the families of their patients. Other RN job functions include leadership, research, performing diagnostic tests and analyzing results, operating medical equipment, administering medications, recording patients' symptoms and medical histories, and assisting with patient rehabilitation and follow-up.

On a more personal note, Susan is currently residing in Barrie, Ontario, Canada.
