The FlightsInStilettos Glam Girl Beach Towels are the hottest beach towels to hit the beach scene!

Known as the New "CBD" Chief Beach towel Designer at FlightsInStilettos, LLC, Kinyatta designs beach towels depicting women of color in a stylish and sophisticated manner at the beach.

According to her website, “ Representation matters, she’s calling for diversity in travel/leisure and is making an impact by exposing the lack of Black images in travel. “

Kinyatta discovered the lack of diversity and images (in general) on beach towels when searching for the perfect beach towel for a dream vacation.

When she could not find a beach towel with images of women of color, she set out to change that by designing and releasing her first line of beach towels in 2018.

Featured in magazines and top fashion blogs such as [Fashion Bomb Daily](#), Kinyatta has elevated beach towels' profiles everywhere by inspiring women to make a fashion statement with their Glam Girl Beach Towel.
