

The New Puzzle Game Bubble Shooter is Set to Keep You Busy for Hours

Rawalpindi, Oct 20, 2020 (IssueWire.com) - [Bubble Shooter](#) is a puzzle game where the players aim to match 3 unique color candies shoot and make them burst. Candy pop blast shooter game comes with exquisite picture quality, fun levels, free download, and the best experiences of an arcade game. The game is all about fun, challenge, and excitement.

The Bubble Shooter Candy popping game comes with two hundred plus amazing levels and fun challenges. The players make combinations of 3 or more candies to make them blast. Collect all the Candies to level up. Complete levels and collect all-stars. This fun puzzle bubble shooter game is easy just to pick up and play, perfect for the whole family to play and enjoy.

Clear the board and advance along with the map, find candies and win amazing rewards, and enjoy fun new with new popping candies. New boosts, power-ups, daily rewards, and more are waiting for you along the way. The Levels Mode can also be played with over 200 levels. Match 3 colored candies or more to blast and win with fewer shots to get more stars. The classic mode is simple, user-friendly, and fun.

The [Bubble Shooter Game](#) contains 200 + exciting levels, with more, added all the time. Consisting of new elements and great prizes, players can also collect awesome daily rewards through leader board and other challenging achievements. The game also has a color-blind mode making it all-inclusive so that everyone can enjoy fun matching games for free. Pop 7 Candies in a row to unlock the fireball or drop 10+ Candies at once to get a bomb, the game is fun all the way. It will soon update into three modes; easy medium, and hard which will keep you challenged and busy for hours.
