The song 'Demons' by an upcoming trap artist from California, Kilo House is a beautiful blend of contemporary flavors set alongside an intense rhythmic pattern.

Los Angeles, Oct 22, 2020 ([Issuewire.com](https://www.issuewire.com)) - Trap music is gradually taking the center stage of the mainstream musical evolution and upcoming artist **Kilo House** is contributing his creative streak to this global celebration. He is bringing to the table a production concept and style that elevates the creative canvas of trap music to a limitless degree. He recently came out with the song '**Demons**' from The Witching Hour that defines neo-age musical concepts and patterns better than no other. The song's rhythmic and arrangement course compels the audience to rejuvenate to its tunes. The undulations and individualism of the song make him stand out as an artistic visionary who is ready to take his music to define the sound of the future.

This upcoming [trap artist from California](#) is from Oklahoma originally is currently associated with the production label House. He is physically restricted due to medical reasons but that has never been a hindrance in his prowess and courage to become a musician. '**Demons**' is a milestone in his career that has allowed him to learn and expand his insight as a creative artist. He hails from a Deathcore background and was previously associated with the ICON COLLECTIVE. His soundscape brims with the essence of EDM and trap as the electronically-charged virtues of his sound penetrates the audience's heart and soul.

Artist **Kilo House** already has many songs to his name like 'XXX Files', 'The Worst Nightmare Of All', 'Mr. Sandman', and 'The CHILDREN' that has paved the way for his creative excellence over the years. He is also the creative founder of the sub-genre terror trap that beautifully amalgamates with his exquisite and expressive soundscape. With influences from Blink-182 and \$uicideBoy\$, he

has given bass a new perspective altogether. Know more about him and his promising scope of modern-day trap patterns on Soundcloud, [Instagram](#), [Facebook](#), [Twitter](#), and his official website.
