

Ven Energy Processors Pvt Ltd wins Gold in the 10th Annual 2020 Consumer World Awards®

Gold Winner in the Best Technology To Combat and Reduce The impact of COVID-19

Hyderabad, Oct 11, 2020 ([Issuewire.com](https://www.issuewire.com)) - Ven Energy Processors Pvt Ltd] announced today that Consumer World Awards®, world's top achievement awards program for the consumer industry, has named Ven Energy Processors Pvt Ltd/C-GaTe/CEO Prasad Myneni & CSO K V Mohan Kumar a Gold winner in the 10th Annual 2020 Consumer World Awards.

Consumer World Awards is a premier awards program that recognizes Consumer products, companies and people from all over the world.

Judges from a broad spectrum of industry voices from around the world participated and their average scores determined the 2020 award winners. Winners will be celebrated and presented their awards during a virtual awards ceremony in December.

Ven Energy Processors Pvt Ltd] was recognized in the following categories Gold Winner in the Best Technology To Combat and Reduce The impact of COVID-19. C-GaTe dry fog disinfection portal is to disinfect humans as they enter from an external environment into an internal environment of any building/public space. This is done through a disinfection portal with a mechanism of generating dry fog. The generated dry fog will cover the person from head to toe and any other articles they carry along with them during the process of their disinfection and sanitisation in the C-GaTe disinfection portal. The dry fog also will disinfect the portal. This is placed at both outside and inside the buildings.

Also, the portable variants can be used in hotel rooms, rooms, lobby, corporate offices, pubs, movie theaters, schools, colleges. Duct fogging is also one of the utility of the dry fog portable variant. It kills the mould in the HVAC ducts. The dry fog generated is 5-10 micron.

"It's an honor to be named a winner by Consumer World Awards for this esteemed industry and peer recognition," said Prasad Myneni CEO. "This further validates our position as a company poised to successfully overcome the Collaborative efforts is the need of the hour to fight this pandemic, we are doing our bit by C-GaTe dry Fog disinfection solution aiding in the reduction of transmission risk of COVID-19.
