

Viral Anchor Offers Opportunity for Guest Post with Dofollow Links

Sydney, Oct 9, 2020 ([Issuewire.com](https://www.issuewire.com)) - Viral Anchor, one of the top content publishing platforms for aspiring writers, is now offering you the chance to incorporate do-follow links on your posts. However, please keep in mind that this offer is available only for the content on the inner pages and the blogs. You would also get no-follow links but only for your home page content.

A few words on Viral Anchor

Viral Anchor offers all writers a great platform where they can come and show what they have got. Here they can also write thoroughly informative content for readers. Over here, writers would be allowed to write on a wide range of topics including the following:

- Social media
- Business
- Technology
- [Digital marketing](#)
- Entertainment
- Home
- Lifestyle
- Career and education
- Tourism and travel
- [Health and fitness](#)

Here they can offer the latest information as well as the best tips and suggestions on all these domains. They would also not have to make any payment for getting these articles published.

The guidelines for posting content on Viral Anchor Website

Following are some rules and regulations that you have to follow in order to get your article published on the website:

- The content has to be completely unique, which means that it should not have been published anywhere else earlier.
- There should be a maximum of 2 links in the entire content.

- The title of the article should be unique. It should be a user-friendly one that answers the queries posed by the users.
- Please refrain from providing any link in the introduction part.
- The content should be of at least 1000 words.
- Please do not stuff keywords in the content.
- The content should be user friendly and pointer based.
- Do not use location names in the article.
- The article should not be promotional. Rather it should be informative.
- Please use a meaningful Meta description of a maximum of 160 characters based on the article.
- Writers should check their content in some good sites for plagiarism before sending the content.
- Please do not make spelling or grammatical mistakes in the article.
- A maximum of 2-3 images can be used in each article. They should be attractive. The necessary size, in this case, is 802 X 400.

If you do not follow these guidelines www.viralanchor.com can remove the article and all the links. It reserves the sole right and discretion in these cases.
