Some4real's journey is far from over, and fans from all over the world are joining him every step of the way. He has already released two musical albums, including some songs yet & has done featured with several famous artists.

Basically, Oluwaseyi Olufemi Emmanuel started his career first as a tech blogger and later went into the music industry. Oluwaseyi Olufemi Emmanuel had a passion for blogging since when he was little. His passion for blogging grew with him as he grew older. He started blogging at the age of 14.

"As a child, I have always wanted to be a computer guru. Since little I noticed I have this interest and passion in me to become a computer programmer. Well, during my kindergarten, lol, I wanted to be a doctor so I'd be able to treat the sick ones but as time went on, everything changed.

If [Google](#), [Facebook](#) or [Microsoft](#) calls me, omo I go pack my load ni o. I watched a lot of tutorials on Youtube and it grew my interest more in becoming a computer guru. Well, I love music too. I have always wanted to be a great musician too." Some4real said this.

"I always acknowledge no boundaries between styles or eras, creating a sound that's idiosyncratic and personal."

"For me, music is life to everything and gives soul to the universe."

The Nigerian-American based musician – best known for his sultry vocals, gritty content, and suave style – has quickly become a master of his craft and has recently released a new single from his upcoming album, titled "Pink."

While music has always been a prominent part of Some4real life, he has also made mental health another one of his priorities, especially when it comes to his music. Music and mental health intersect as music relaxes the mind, energizes the body, and improves one's mood.

Oluwaseyi Olufemi Emmanuel music has been influential throughout his own mental health journey as well as providing healing for others who may not have another outlet for their own mental health struggles.

His mental health has changed his approach to the music he makes, making his songs all the more

special because they come from the heart. For Some4real, music acts as a therapist and greatly helps his mental state, and he hopes that it can do the same for others that listen to it.

Oluwaseyi Olufemi Emmanuel stands out as an artist in the industry because he wants to show people the real meaning of music, which, to him, is how it makes you feel. His voice has proven to be of great help to the music industry.

Oluwaseyi Olufemi Emmanuel has quickly become a well-known voice in the music industry, and we are excited to see what he does next.
