

Wellness Dental & Implant Centers Consist of the Best Dentist Professionals in Mesa, AZ

Mesa, Dec 1, 2020 ([Issuewire.com](https://www.issuewire.com)) - Wellness Dental & Implant Centers announced today a new Easy Payment Program for patients in need of dental implants and All-on-4 Implant Denture procedures

Wellness Dental was founded in 2016 to provide patients with affordable dental implant options, with an innovative all-in-one treatment facility to replace traditional denture options. This concept offers patients a collaborative approach offering free consultations including 3D X-Rays to personalize treatment plans all under one roof.

"The mission of Wellness Dental & Implant Centers is to provide patients with [affordable dental implants](#) solutions to provide better oral healthcare," said Kenny Gerace DDS, Prosthodontist at Wellness Dental & Implant Centers. "Patients with missing teeth often settle for a denture, which although is an alternative treatment option is not the ideal for natural teeth. The team within the Wellness Dental practices provide affordable clinical treatment options that other practices are unable to offer in order to improve the satisfaction and quality of life for people with missing or failing teeth."

Wellness Dental & Implant Centers in Chandler provides a comprehensive approach to their patient's

treatment options. The Wellness Dental's Chandler practice is open Monday through Friday with private appointments available on Saturdays.

Wellness Dental will provide a special program for senior citizens offering discounts on [dental bridges](#), dentures, implant dentures, and [All-on-4 dental implants](#) procedures in an effort to inform the public of the dental treatment options that are available to them and make the procedures more affordable to improve a patient's quality of life.
