

Young business wolf 'Mrinal K.J.' getting attention from Indian corporates

Branding prince

Jalandhar, Oct 20, 2020 ([IssueWire.com](https://www.issuewire.com)) - Marketing is no sheep's work. You'd have to be wolf to implement your strategies and acquire results. Mrinal KJ, one of the youngest Entrepreneurs of India, holds the reputation of one of the highly effective marketers of India. He got into marketing during his college life and gradually stood up his own marketing firm, FoxClues Pvt. Ltd. Mrinal KJ was highly effective in his approaches that he was able to provide a greater outreach to his clients and managed to become one of the fastest growing entrepreneurs and the best digital marketer of Punjab. He is one of the very few youngsters to achieve such heights.

On the other side, Mrinal KJ proved to be quite a care taker of his people. He debuted into literature and launched two books, which mainly focused on mental health and the power of attitude. He never let any obstacles demotivate him. While many whine for the difficulties they face, he embraced them and inspired numerous youngster by paving his way through them. The book he authored, 'Slap your Fake Shadow' was well received by people and was appreciated by critics. It even became the best sellers on the platform. He believes that the employee's mental health is as equally important as the results we set out to achieve.

He received various awards from various reputed institutes like IIT and IIM, for his remarkable work in his field. He is even focusing on creating employment and providing jobs to various people during the pandemic. Through his consultancy firm, FoxClues, he is serving his services for various clients like Immigration consultancies, Spa & gyms etc. Through his work at such a younger age, he set an example for many people to not stop hustling despite anything
