

## Advaiya Solutions Pvt. Ltd. Joins NetSuite Solution Provider Program

Leading technology consulting and implementation services company launches NetSuite practice to meet the growing demand for cloud ERP

**Udaipur, Nov 20, 2020 ([Issuewire.com](https://www.issuewire.com))** - Advaiya Solutions Pvt. Ltd., a leading business applications and analytics solutions and services provider, today announced that it has joined the [Oracle NetSuite Solution Provider Program](#). With NetSuite, Advaiya Solutions Pvt. Ltd. will help its customers take advantage of a powerful cloud ERP platform to gain the visibility and control needed to adapt to change and build business resilience.

“Our mission is to help businesses realize the full potential of cloud solutions to maximize ROI and business impact,” said Manish Godha, the founder and CEO of Advaiya Solutions. “Oracle Netsuite is a powerful platform for the business management that offers scalability and a solid foundation for growth. NetSuite completes our portfolio and enables us to help our customers streamline their core business processes through a single integrated system.”

By joining the program, Advaiya Solutions Pvt. Ltd. is able to leverage its extensive experience to promote, implement, and tailor NetSuite to its clients in various industries.

The NetSuite Solution Provider Program provides access to a comprehensive portfolio of enablement and entitlement activities, which helps NetSuite partners to create new revenue opportunities. NetSuite partners can leverage every aspect of the suite, including ERP, inventory management, CRM, and ecommerce. In addition, Advaiya Solutions Pvt. Ltd. is also joining the NetSuite SuiteLife initiative.

SuiteLife helps accelerate partner onboarding and provides multiple layers of engagement and support as well as access to NetSuite best practices.

“We are pleased to welcome Advaiya Solutions Pvt. Ltd. to our Solution Provider Program and SuiteLife initiative,” said KK Pan, vice president of JAPAC, Oracle NetSuite. “We look forward to working with the team at Advaiya Solutions Pvt. Ltd. to combine their expertise with our robust suite of technologies to achieve mutual success for our customers.”

## About NetSuite Solution Provider Program

The [NetSuite Solution Provider Program](#) allows NetSuite partners to take advantage of the growing demand for cloud [ERP](#) to expand their businesses. As part of this program, partners have access to strategic practice planning, in-person and on-demand training across functional areas, and assets and best practices to support the entire customer acquisition and success lifecycle. In addition, the robust cloud platform delivered by NetSuite, which includes [ERP](#), HCM, inventory management, [CRM](#), and [ecommerce](#), enables partners to grow quickly. As a NetSuite partner, organizations will spend less time solving technology issues and more time solving business issues to help their customers adapt to change and build business resilience.
