Beverly Hills, Dec 1, 2020 ([Issuewire.com](https://www.issuewire.com)) - Into the world filled with gloom and darkness, the music of gifted musician Tammy Kempf, mostly known as Against Deception comes as a blessing that has the potential to light up every corner of one's mind. Her music is a poised blend of EDM and Trance worship music that she employs to convey the divine message of truth. She has recently released her critically acclaimed album named Fly Heights Unknown that consists of 10 tantalizingly exceptional soundtracks.

The intro of the album with a track by the same name sets up the ambiance of intensity through its unmatched rhythmic cadence that encourages positive energy in the listeners. The magnetic vocal allure of the singer merges with the melodic glory of the song in perfect harmony.

The album is the representation of her spiritual beliefs that give her the courage to continue with her life gracefully. Refused to give in to the temptation and lies of this decaying world, her music in the album gives birth to only optimistic thoughts and helps the audience to conjure up the courage to face reality. The album introduces the artist's incredible take on worship music through the warm embrace of electronic dance music that opens up whole new possibilities and demographics for the contemporary Worship music scene. While the song 'Pernicious Media' reveals the deception of the real world, the songs like 'Let the Heart Dance', 'Unfathomable Love', and 'You Are My Gravity' depicts the message of truth and healing through their therapeutic words. The songs are inspiring as well as highly entertaining with an exceptional electronic trance vibe and nostalgic resonance.

Against Deception is the epitome of musical divinity who is here to spread the words of God through her therapeutic melodic collection. Determined to bring peace and happiness back into this depressing world, she continues to work hard and produce the most sublime lyrical ballads that empower the mass.
