Noida, Nov 22, 2020 ([Issuewire.com](https://www.issuewire.com)) - Regardless of the challenges posed by COVID 19, Amity University Uttar Pradesh (AUUP) was working round the clock ensuring fulfilment of their commitments for its stakeholders well-being. ATAL AICTE has granted support to Amity Business School, Amity University Greater Noida to conduct 5-Day Online Faculty Development Program (FDP) on *ORGANIZATIONAL HAPPINESS* free of cost to 200 Academicians, Corporates, Research Scholars, Government officials and CBSE School based Teachers. Certificate of participation will be given by AICTE as per rules of attendance and online exam based evaluation.

Prof. (Dr.) Gurinder Singh, Group Vice Chancellor Amity Universities, said the grant is a proof of our commitment to enhancing the well-being of the Academician and other stakeholders all across India. *"We are excited to announce that the date of online 5-day FDP is 7-11 Dec 2020."* FDP title is *"Organisational Happiness: Crystallization of Self by Integrating Body, Mind and Soul"*. Organisational happiness is the sign organisational health, prosperity and its sustainability. Its absence is proven to be the biggest source of disruptions and failures of the organization at many levels. On the contrary, its presence can transform the past, for a better future of organizations, thereby strengthening society and nation."

Brig. H. S Dhanny (Retd), Director Administration AUGN says that Soft skill trainers, business leaders, CHROs, CXOs, training heads of social institutions who have been given the mandate to increase organizational happiness will equally get a refreshing appeal and will certainly get exposed to a new dimension of integrating body mind to awaken the Soul.

You can apply via <https://lnkd.in/d4TpQvy> or scanning the QR Code and can also download the brochure of the training program. In case of any queries, you can email the FDP Coordinator Prof. (Dr.) Nitin Arora (narora4@amity.edu), Professor, AUUP.

ABOUT AMITY UNIVERSITY UTTAR PRADESH (AUP)

The university is a part of Amity Education Group and has campuses in India, Dubai, Singapore, China, Mauritius, London, Amsterdam and New York. It is recognized by the University Grants Commission (UGC) under Section 22 of the UGC Act 1956 and accredited by the NAAC, with grade 'A' and accredited by the Western Association of Schools and Colleges (WASC). It was India's first private university to implement examinations based on skills and for both faculty as well as students. The school was started in 2003 with an enrollment of 120 students. In 2018, it was reported to have over 15000 students across more than 300 programs. Further, Amity University Uttar Pradesh is a member of Skills India National Institutional Ranking Framework (NIRF) the overall ranking for 2019. The university is also committed to bridge the gap between academics and industry. The 10th House award-winning institutes which has received over 100 companies and attracted over USD 40 million investments in the last few years. It is a step towards that way and there are just few of the reasons why Government of India has recognized Amity as a Scientific & Industrial Research Organization (SIRO).

ABOUT AMITY BUSINESS SCHOOL, AMITY UNIVERSITY GREATER NOIDA

Amity University Greater Noida campus (GNC) is committed to its mission to advance knowledge and educate students in science, technology, and management that will serve the nation and the world in the 21st century. Amity Business School, GNC, now Amity Business School, has been developed after extensive research and innovation with the various stakeholders. The key objective of the program is to impart management education in the fast changing globalized economy so as to enable the students to be globally equipped to respond to the changing requirements of the industry in the Indian cities. It is offering various programs with different specializations, catering to the needs of different sectors of the industry. The School offers degree programs at both UG and PG level and also certificate courses in management.

FDP THEME: Organizational Happiness: Crystallization of Self by Integrating Body, Mind and Soul

Organizational happiness is the sign of organizational health, prosperity and its sustainability. Its absence is proven to be the cause of disintegration and failure of organizations at many levels. Its presence is a signal of changing the past, present and future of both individuals and organizations, thereby strengthening society and nation. The FDP aims to provide the participants with an experiential understanding of the organizational happiness measures, various practical exercises and intensive/ thoughtful moments to reflect.

In this programme participants will have explored the broad channels on how Organizational Happiness flows through integrating body discipline, opening creative energies of individual and team, bridging emotional step-points for team performance. Participants will gain exposure to body, mind and soul expert led real life cases. Upon completion the participants will be able to evaluate, measure and contribute to their Organizational Happiness in key ways.
