

BAME Health Collaborative Launch

27th November 2020@18:30 GMT

BAME HEALTH COLLABORATIVE

London, Nov 22, 2020 ([IssueWire.com](http://www.IssueWire.com)) - “It’s the fact that we know that there are numerous known diseases that impact the Black Asian & Ethnic minority population. This disproportionate statistical data becomes concerning when the health outcomes are overwhelmingly poor compared to other population in the UK. The underlying issue is we going to explore the why? what? which and when.”

TOGETHER WE CAN

Join us for the official LAUNCH of BAME Health Collaborative! We hope you can join us! 27th Nov. 2020: remember that date. If you haven’t already please block out 18:30-20:00 (UK time) in your diary. Why? Here is the link: <http://bitly.ws/aBuC> #BHC
