

Bluetooth Wireless Earbuds ONE X3 Early bird offer Get 18% off retail price

Wireless earbuds, with Noise cancellation and Hands-free calls

Woolwich, Nov 16, 2020 ([Issuewire.com](https://www.issuewire.com)) - We are [ONE X3](#) We build premium-quality, minimalist-inspired headphones that deliver audiophile sound for an honest price.

There is no other [wireless](#) earbud quite like it - in design, technology, and most dramatically, sound.

With a comfortable in-ear design, the [ONE X3 5.0](#) Bluetooth wireless earbuds give you all the functions you need. In fact, Bluetooth earbuds offer noise cancelation so you're never distracted by annoying sounds around you. Plus, you'll love the hands-free calling experience you get thanks to their integrated microphone.

[ONE X3 5.0](#) Bluetooth are compatible with both Android and iOS gadgets, these earbuds use Bluetooth 5.0 wireless connectivity for efficient transmission. What's more, offer 3D surround sound, so you'll love them for gaming.

Simply take your earbuds out of their box, and they automatically pair with the last device. When you put them in their charging case, they power off automatically. You can use these Bluetooth wireless earbuds together or separately, and you can take them everywhere thanks to their portable size.

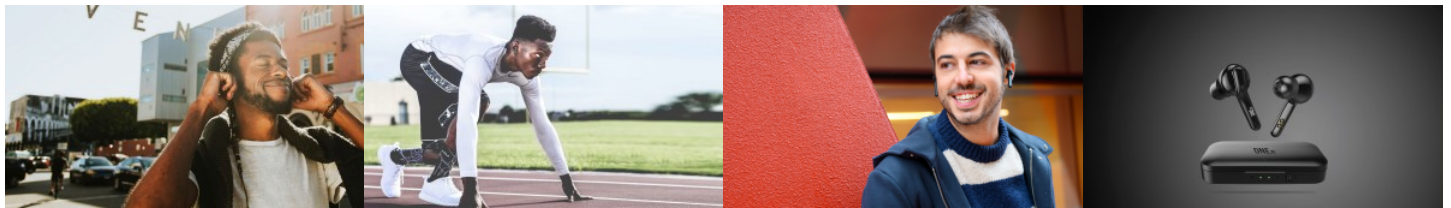

Finally, 100% Waterproof earbuds and made of silicone, these earbuds fit so comfortable that you can wear them for hours on end.
