The Big 5 - Cognizant, Wipro, Infosys, TCS and Amazon - among top recruiters at Galgotias University as placement drive continues with high salaries and multiple job offers.

Greater Noida, Nov 22, 2020 (Issuewire.com) - Galgotias University started the placement season for 2020-21 batch with record breaking numbers making students and their parents proud with this

achievement. The main highlight of the pandemic hit placement season is that the university has started offering their dream job offers and high packages to students. Till now this year, students have been taking their classes online due to the guidelines and advisories amid the pandemic. The university was one of the fastest in the country to adapt to conducting the placement processes completely online but it exposed students to many more companies unlike previous years.

While giving details about the on-going campus placements, Dr Manisha Chaudhary Director, Corporate Relations and CPDD, Galgotias University, said, "Although the companies have shifted to online mode for campus recruitments this year due to pandemic, yet we have witnessed an increase of 20% in the number of companies participating in the campus placements and as a result we have registered 1000+ offers within three months of the start of our placement process". Dr Manisha further added that, "There has been 35+ companies which have offered 10 LPA or more packages to the students of 2021 batch while the average package touched 8.75 LPA". World's top multi-national companies and fortune 500 including Microsoft, Google, Amazon, Wipro, Cognizant, Infosys have been a regular recruiter since 2015 offering industry best packages to the students and this year it has been no exception. To add to comprehensive list of top recruiters Galgotias University has managed to see new highest package of 35 LPA has been offered by US-based Multi-National Amazon to multiple students of Galgotias.

"In addition to the placements for 2021 batch, the recruitment process for 2020 passing-out batch also continued simultaneously and more than 1000 offers were given to Engineering and MBA students," added Mr Dhruv Galgotia, CEO Galgotias University and also Earlier during the year, more than 400 Core Engineering branch companies from the field of Automobile, Chemical, Electrical, Telecom, Business Analytics, IT, AI & Machine Learning, E-Commerce, Civil and Mechanical Engineering had selected engineering students of 2020 batch from Galgotias University and 100+ companies recruited MBA/BBA students of different specializations. While record package of Rs. 35 LPA was offered to CSE Engineering student.

"Coding Practice, Participation in Hackathons and Pre-Placement Training and hands-on practical learning imparted during my course by expert faculty has been my success strategy for this achievement, I have been able to bag dream placement offer from Amazon," said Kushagra 4th Year Btech CSE Student.

"The success of our students during campus placements year-after-year can be attributed towards our flexible choice based credit system and career mapping of all our students. In the first year itself, we try to understand the aspirations of every student and offer him or her customized career-path that can lead to fulfillment of their dreams," said Dhruv Galgotia, CEO Galgotias University.

During the virtual placement processes, two students have secured international job offers in Botmook with a package of \$ 12000 and \$15500; one student has secured the opportunity with American Express with a monthly stipend of Rs 70,000. Apart from this, Infosys has offered 2 students with a package of 8 LPA and 11 students with a package of 5 LPA through the contest *HackwithInfy*. Moreover, world-class companies like Infosys, Cognizant, Wipro, TCS, Amazon and many more are still conducting the recruitment process for the students of Galgotias University

The record placements at Galgotias have been possible due to the constant exposure of the students to new and emerging technologies and Industry 4.0 aligned courses. It is also the impact of outcome-based education being imparted at Galgotias for which it received the prestigious NBA accreditation.

Galgotias University has been successful over the last several years to ensure that its students are completely industry-read and for this purpose, it has established several valuable tie ups and

undertaken MoUs with industry leaders such as Infosys, Cognizant, Ericsson, Tech Mahindra, Wipro and other corporate partners.

Dhruv Galgotia , CEO of Galgotias University says “The Pandemic was excellent for placements as several companies conducted online interviews and sent placement offers of dream packages to students. The Galgotias students sitting at home were making the university proud by getting multiple job offers from top companies”

The Galgotias University has been consistently ranked amongst the top universities in India and is known for the highest placements where more than 100000+ students have got their dream packages and are working in their dream companies.
