

Christopher L. Marquart, MD, a Neurosurgeon with Mercy Health Physician Partners Neuroscience Specialists

Get to know Neurosurgeon Dr. Christopher L. Marquart, who serves patients in Muskegon, Michigan.

New York City, Nov 30, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Marquart is an accomplished neurosurgeon at Mercy Health Physician Partners Neuroscience Specialists in Muskegon, Michigan. He specializes in neurosurgical spine surgery, neurotrauma, neurocritical care, neurosurgical oncology, as well as spine and back care.

Mercy Health Physician Partners Neuroscience Specialists is the only neurosurgery program on the Lakeshore. It provides high quality, state-of-the-art neurosurgical care and comprehensive rehabilitative management. A team approach to patient care is exercised — the team’s personal concern for patients’ well-being results in the highest quality of care and service available.

Pertaining to his educational background, Dr. Marquart graduated with his medical degree from the West Virginia University School of Medicine in 1981. He performed his residency in neurological surgery at IU Health University Hospital.

A trusted authority for exceptional care, he is board-certified through the American Board of Neurological Surgery (ABNS). The broad aim of the ABNS is to encourage the study, improve the practice, elevate the standards and advance the science of neurological surgery and thereby serve the cause of public health.

With an impressive professional journey spanning four decades, Dr. Marquart is affiliated with Mercy Health Hackley Campus, Mercy Health Mercy Campus, Mercy Health Saint Mary’s,

Named a “Top Doc in America” multiple times, he is an active member of the Congress of Neurological Surgeons, the American Academy of Neurological Surgery (Fellow), the American College of Surgeons (Fellow), the American Medical Association, the Muskegon County Medical Society, the Michigan State Medical Society, Joint Section Orthopedics, and Joint Section Trauma.

Neurosurgery is the medical specialty concerned with the prevention, diagnosis, surgical treatment, and rehabilitation of disorders which affect any portion of the nervous system including the brain, spinal cord, peripheral nerves, and extra-cranial cerebrovascular system. Neurosurgeons are doctors who diagnose and treat problems with the nervous system, often by performing surgery on the brain or spine. They treat strokes, tumors, cervical and lumbar disc disease, infections, and head or spinal cord injuries.
