

## Constantine Bakas, DO, FACOG, an Obstetrician-Gynecologist with Hamptons Gynecology and Obstetrics

Get to know Obstetrician-Gynecologist Dr. Constantine Bakas, who serves patients throughout the State of New York.

**New York City, Nov 9, 2020 ([IssueWire.com](http://IssueWire.com))** - Dr. Bakas is a board-certified obstetrician-gynecologist licensed to practice medicine in New York. Having joined Hamptons Gynecology and Obstetrics in the summer of 2016, he hopes his patients are comforted by his wealth of obstetrical experience, individual patient-centered care, and kind-hearted demeanor.

Hamptons Gynecology and Obstetrics was founded in 1971 to provide high quality, efficient gynecological and obstetrical care to the women of the East End. At the present time, care is provided by eight doctors, three nurse practitioners, and two midwives. They maintain four offices in New York, including Southampton, Riverhead, Hampton Bays, and Center Moriches. The doctors are all on the staff of Southampton Hospital.

The son of Greek immigrant parents, Dr. Bakas grew up in the Hamptons, until going to Rutgers University for undergraduate school. While in college, he was premed and participated in athletics. After graduating with his Doctor of Osteopathic Medicine degree from the New York Institute of Technology College of Osteopathic Medicine in 1988, he went on to further his training. He did a one-year rotating internship and a four-year residency in obstetrics and gynecology at Lutheran Medical Center.

Since the completion of his residency, Dr. Bakas has been involved in doing advanced laparoscopic procedures and performing all types of gynecological surgeries. Going into private practice, he founded a prenatal care center in Westchester, New York. There, he provided prenatal care and delivered several thousand patients over the course of twenty-one years.

A Fellow of the American College of Obstetricians and Gynecologists (ACOG), he is board-certified in obstetrics and gynecology by the American Osteopathic Board of Obstetrics and Gynecology (AOBOG). The AOBOG is an organization that provides board certification to qualified DOs who specialize in the care of the female reproductive tract and children during the course of pregnancy, childbirth, and the postnatal period (obstetricians) and to qualified DOs who specialize in the diagnosis and treatment of diseases of the female reproductive tract (gynecologists).

Throughout his career, Dr. Bakas has been on multiple utilization review and safety committees. He was also a core member of the Obstetrical Safety Initiative with his hospital for three years.

Obstetrics and Gynecology is the medical specialty that encompasses the two subspecialties of obstetrics and gynecology. An obstetrician-gynecologist, or OB-GYN, is a healthcare professional who specializes in female reproductive health.

Among his numerous accolades, Dr. Bakas has been the recipient of Patients' Choice Award (2009-2011), Compassionate Doctor Recognition (2010 - 2013), America's Most Compassionate Physician Award (2010-2011), America's Top Obstetrician and Gynecologist (2007), and America's Best Obstetrician and Gynecologist (2016).
