

## From Fabric to Elegant Ethnic Wear - Journey of Srishti Textile

**Jaipur, Nov 8, 2020 ([Issuewire.com](http://Issuewire.com))** - As few days left for Winter Season in India, Srishti Textile - a Jaipur based textile Start-up has launched its winter collection lineup in **clothing and garments**. This young company from *Pink City, Rajasthan* is making its mark in the Indian Market.

Started in February - 2020 and soon exposed to Lockdown and Trade restrictions the Jaipur Born Entrepreneur Hitesh Sharma is leading its way to marginal success in Textile Field. As a Mechanical Graduate and Marketing Expert Mr Sharma's innovative approach to building a brand image in customers is working.

The group in a recent webinar hosted on "[YouTube Channel - Srishti Textile](#)" launched the recent collection of Kurtis, Gowns, Palazzos and other clothing for Women. Most of these designs are designer variants of Jaipur's Block Print and Screen Print versions.

In the webinar company's founder, Mr Sharma hinted on establishing a multi-operational clothing manufacturing unit for [Jaipuri Kurtis and Garments](#). Also, to mention - Srishti Textile is a leading [bedsheet wholesaler in Jaipur](#) and currently holds *2.5% of the total bedsheet market*.
