

Gospel recording artist Tammy Renee Releases Her New Holiday Single 'Christmas All Over The World'

Florida, Nov 23, 2020 ([Issuewire.com](https://www.issuewire.com)) - Gospel recording artist Tammy Renee recently released her new single, 'Christmas All Over The World' for the holidays. The song was released to radio nationwide and also streaming in Walmarts across the country.

Tammy Renee travels extensively across the country to spread her vision and beliefs by inspiring

thousands of individuals in their journey of life. The new single adds a significant musical accomplishment to her career that will further expand her mission of spreading God's unadulterated blessings across human souls and hearts. 'Christmas All Over The World' is a holiday song that welcomes the season with open arms and prepares everyone to join the festivities. This month is a time of anticipation, warmth, togetherness, and happiness, and Tammy through her musical and lyrical subtlety has made sure that no one misses out on the laughter and love that Christmas brings every year.

Award-winning, ministry-driven, speaker, best-selling author, and gospel recording artist Tammy Renee travels the country with a simple mission. A mission to love people and embrace humanity. To encourage them through her own experiences, trials, and testimonies, and to love them right where they are, with no judgment, her profound aura helps in bringing communities together where everyone supports and stands for each other. To connect with people and tell them about the love that God has for them and about the things that He is capable of doing in their lives, she instigates hope and motivation in the lives of thousands.

Tammy Renee is a gospel recording artist who comes with a message of grace and hope. She is an eclectic artist who loves to tell a story through her music and testimony. She uses her inspirational story to share a small piece of her heart with her audiences. Born in the Adirondack Mountains in upstate New York, she grew up in a musical family who enjoyed singing and playing what she refers to as "Real Life Music". Her creative expressions and musical individuality were built on the hard times and stories of real life. She started touring in a family band when she was only 9 and has sung with artists like Kitty Wells, Tanya Tucker, Randy Travis, and Mary Chapin Carpenter. More recently she performed an old Gospel Song "Workin On A Building" at The Grand Old Opry for a tribute to a Bluegrass Legend, Mr. Ralph Stanley. Her work has also been acknowledged and nominated for several awards and she has also won a few accolades and awards in her career.

Tammy's most recent album "Steps" (2018) has already earned her CCM Artist of the year for her single "God Is In The House" and Female Single of the Year for her single "Steps" as well as numerous award nominations including a submission to the Gospel Music Association for Dove Nominee Consideration. The album, "Steps" is a captivating compilation of eight songs, 'In My Bible', 'When I Pray', 'God Is In The House', and 'No One'll Ever Love Me' are only a few. She is wholeheartedly dedicated to what she does and loves sharing her music and her personality with her audiences. She believes that music tells stories better than any other medium and also carries the therapeutic qualities of soothing and healing. Music also restores inner strength and peace which further compels men to achieve greater goods. Tammy's variations and vocal control are captivating and take the audience on an intriguing journey of self-realization and contemplation.

Currently, Tammy Renee is soaring high with the nationwide popularity of her new single, 'Christmas All Over The World'. She is also looking forward to her upcoming No Judgement tour in the year 2021 that will garner more audiences from across the country. She has been a gospel singer since 2012 and over the years, imbibed the best virtues of thematic and creative understanding in music. With the festivities knocking on the door, her musical prospects are flourishing and attracting more people to join her journey of closure and salvation in a world that is gradually moving towards complete disruption.
