

Haitian hip hop artist TROUBLEBOY HITMAKER drops another hit rap banger recently called 'Premye Fwa'm Damou'

Rising rapper TROUBLEBOY HITMAKER from Haiti presents a sensual and thought-provoking lyrical ballad 'Premye Fwa'm Damou', rich in true flavors of hip hop.

PREMYE FWA'M DAMOU

TROUBLEBOY HITMAKER

New York City, Nov 27, 2020 (Issuewire.com) - Haitian rapper Lord Wensky Jolissaint, popularly known as **TROUBLEBOY HITMAKER** has been introducing his American hip hop inspired Haitian rap resonance to the world of music. His recent hip hop banger in Haitian Creole '[Premye Fwa'm Damou](#)' represents the incredible sound of his community and generation with a prominent hint of

American hip hop style. The track has made quite an impact on the psyche of the listeners, penetrating their thoughts with its eloquently weaved sublime libretto. As the title suggests, the song is about his first love, depicted through vivid picturization.

Driven by his genuine love for the art of music, the gifted musician stepped into the world of music at a very young age. He first launched his full-blown musical career in 2011 and has come a long way becoming one of the most influential musical figures in Haiti in a very short time. He achieved tremendous success with the single 'Crank that Moto', which he released two years after his mother's death.

The brilliant performer based in Haiti has released quite a few albums so far. He wishes to widen his spectrum all over the globe to impart his Haitian thematic delicacy with his most recent creation '**Premye Fwa'm Damou**'. The rhythmic flow of the track enhances the true spirit of the vocal performance of the artist. **TROUBLEBOY HITMAKER** is known for his exceptional lyrical treatment, which is prominent in the song through the use of powerful metaphors and verbal imageries.
