New York City, Nov 11, 2020 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Styperek is an experienced cardiologist and a

Fellow of the American Academy of Cardiology. He can be found on staff at Bethesda Hospital East in Boynton Beach, Florida.

Founded in 1959, 401-bed Bethesda Hospital East offers a full array of healthcare services, including Bethesda Heart Hospital for the most comprehensive level of cardiovascular services; general, vascular and endovascular surgery; maternity, neonatal, and pediatric intensive care; women's health services; orthopedics; and comprehensive cancer care. Bethesda Hospital's mission is to provide high-quality health services in a caring manner. With this mission in mind, the not-for-profit hospital provides charity and uncompensated care to those in need.

With a broad educational background, Dr. Styperek graduated with his medical degree from the Poznan University of Medical Sciences in Poland in 1963. He then went on to serve his residency in internal medicine at DMC Sinai-Grace Hospital in 1976, followed by his fellowship in cardiovascular disease at Jackson Memorial Hospital in 1978.

Established in his field, the doctor is board-certified in both internal medicine and cardiovascular disease by the American Board of Internal Medicine (ABIM). The ABIM is a physician-led, non-profit, independent evaluation organization driven by doctors who want to achieve higher standards for better care in a rapidly changing world.

Cardiology is a branch of medicine that deals with the disorders of the heart, as well as some parts of the circulatory system. The field includes medical diagnosis and treatment of congenital heart defects, coronary artery disease, heart failure, valvular heart disease, and electrophysiology. Cardiologists are doctors who diagnose, assess, and treat patients with diseases and defects of the heart and blood vessels (the cardiovascular system).
