New York City, Nov 9, 2020 ([Issuewire.com](https://www.issuewire.com)) - Jeannette is a registered respiratory therapist whose areas of expertise cover all facets of respiratory illness, including chronic obstructive pulmonary disease, congestive heart failure, sleep apnea, and other related issues. She is affiliated with Resplife Medical Solutions in Lanham, Maryland.

Resplife Medical Solutions is a dedicated Home Respiratory and Medical Supplies company. It specializes in providing home oxygen therapy including oxygen concentrators and cylinders, portable oxygen systems, oxygen conserving devices, sleep therapy with CPAP, APAP, BiPAP/BiLevel machines, masks and headgear, PAP supply replacement programs, inhalation therapy with AeroChamber, aerosol therapy compressors, nebulizers and masks, peak flow meters, as well as other respiratory products and durable medical equipment to patients in need.

In 2000, Jeannette earned her degree in respiratory care from Washington Adventist University in Takoma Park, Maryland. Since graduating, she has completed a number of advanced training courses to further her knowledge and skills.

Additionally, she remains at the forefront of her challenging specialty through memberships and affiliations with prestigious professional societies and associations. These include: the American Association of Respiratory Care and the National Association of Professional Women.

Respiratory therapy is the assessment and treatment of patients with both acute and chronic dysfunction of the cardiopulmonary system. A respiratory therapist is a specialized healthcare practitioner trained in pulmonary medicine in order to work therapeutically with people suffering from pulmonary disease.

Attributing her success to the proper guidance, support, and encouragement that she receives from her family, Jeannette is drawn to and passionate about charitable organizations that help families in the Philippines.

In her spare time, she enjoys playing golf and traveling.
