Michigan, Nov 15, 2020 ([Issuewire.com](https://www.issuewire.com)) - AfricanMall, an online fashion store founded in 2017, has taken its new initiative by promoting its existence to a brand name. This women fashion clothing store, that also offers accessories and human hair for black women at a reasonable price, has now enhanced its branding as **Jurllyshe**. According to the owner of this brand, “Jurllyshe” is defined as - J(ust), ur(you are), (Rea) lly she. To achieve the unification, the team working under this brand has offered their best effort while shifting the old domain name africanmall.com to jurllyshe.com from May 9, 2020.

Well, this international shop has come up with some new hopes. The team of efficient professionals has therefore planned to introduce **Pre-Black Friday Sale 2020**. The pro designers here want to make this festive season special for all the shopaholics out there. Be it Australia, Europe, USA, or the UK – you can now avail of their lucrative deals and offers online without any hesitations. **Jurllyshe** as the brand indicates its concept wants every woman to feel special and therefore, they craft unique designs to make “her” look better every day.

The website has gone through several changes so that the visitors get a better experience out of it. This new domain is now more user-friendly and initiates few latest tabs where you can easily fulfil your clothing requirements. Starting from trendy jumpsuits to [matching sets](#) to dress or tops – everything is available here at a pocket-friendly price. Unlike other brands, Jurllyshe prioritizes every single customer

and that makes them begin the “plus-size” section for women. One of the efficient team members says that they never fail to satisfy their customers as the designers have always been through what looks trendier. One can get an ample number of options available at the website from where she can choose her favourite outfit for the eve party.

It seems **Jurllyshe** has already started receiving a rush to their site for the money-spinning deal that they have launched for Black Friday. A lot of coupon codes are initiated so that you can get benefitted at every single pickup. To access the recently designed clothes, you can click “New In” tab or head over to “Trends 2020/2021” for availing of extraordinary dresses. Buyers can now visit <https://www.jurllyshe.com/blackfriday.html> to get all sorts of details associated with the **Black Friday Clothing Deals 2020**.

As this is a limited period offer, you must visit the site today and collect all the worthy items to spend these festive days with a new swag. Order your required products and apply to [clothing coupons](#) code while check-out from the cart to get a lump sum discount on the final amount.

While changing the domain, the team of **Jurllyshe** has ensured its valuable buyers to receive smooth navigation. Being a truthful clothing brand, they have asked for cooperation from you and believe in achieving your hearts very soon with the latest designer clothing options. The brand takes a chance to convey a more cohesive image by promoting recognitions and creating better memories with the customers.
