Get to know Certified Family Nurse Practitioner, Kristin Pearce, who serves patients in Pickerington, Ohio.

New York City, Nov 3, 2020 ([Issuewire.com](https://www.issuewire.com)) - Kristin is a family nurse practitioner certified through the American Academy of Nurse Practitioners Certification Board. Her areas of focus include primary care, family medicine, medical/surgical nursing, and neurology. At present, she works at OhioHealth Physician Group Primary Care in Pickerington, Ohio.

OhioHealth Physician Group primary care physicians offer reliable, convenient care for everything from minor illnesses and injuries, to the routine management of chronic health conditions like diabetes or asthma. Their goal is to provide excellent, empathetic care that keeps patients and their families in the best health.

After graduating with her nursing degree (Family Nurse Practitioner Program) from Bowling Green State University, Kristin went on to earn her Master of Science in Nursing degree from The Ohio State University College of Nursing in 2015.

A member of the American Association of Nurse Practitioners, she holds certifications in Advanced Cardiac Life Support and Basic Life Support (not intended for postnominal use).

A Certified Family Nurse Practitioner (FNP-C) is an advanced practice registered nurse who holds certification and works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the “family” patient population focus, FNP’s offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.
