

LaDonna Michelle' Set to Launch Debut Book in November

Atlanta, Nov 16, 2020 ([IssueWire.com](https://www.issuewire.com)) - Songstress, Speaker, and Author, Ladonna Michelle' (A.K.A Lady LaDonna), is poised to launch her debut book, I Am D.I.V.A., in November.

I Am D.I.V.A is an awe-inspiring resource dedicated to women of all classes, color, and creeds. In this life-changing book, Lady LaDonna encourages readers to pursue their purpose in spite of their current circumstances or what they have been through.

Asked to share her motivation for writing the book, Lady LaDonna explained: *"Too many women are not walking in their purpose because they feel devalued by the unfair things that have happened to them. I want these women to know that bad experiences cannot stop you from accomplishing your God-given purpose. My prayer is that this book will resonate with and transform every woman who is yearning to find, understand, and fulfill her purpose and destiny."*

Although I Am D.I.V.A is her debut book, Lady LaDonna writes with the clarity and authority of a seasoned author. She empowers readers with words of wisdom and provides insights from her own experiences. Through her encouragement, readers will be inspired to become all that God created them

to be.

I Am D.I.V.A. will launch on November 14, 2020 on Amazon.com. The book will be available in Kindle and Paperback formats and is now available for pre-order. For further information visit:
