

Leawo Launched Prof. Media Win 8.3.0.3 to Downlaod Live Videos Via URL Link and M3U8 Link with Fixing Bugs

Shenzhen, Nov 20, 2020 (Issuewire.com) - Leawo just updated Prof. Media Win 8.3.0.3 with support for downloading live videos via URL link or other streaming live videos via M3U8 link from YouTube, Twitch, etc. Besides, bugs are fixed for a better user experience.

Shenzhen, China – Nov 20thth2020 – Leawo Software Co., Ltd: a professional multimedia solution provider and an award-winning video/audio converting software supplier, today officially launched [Leawo Prof. Media Win 8.3.0.3](#) with support for downloading live videos via URL link or M3U8 link and fixing bugs. A new addition to the downloading module and bug fixing is sure to improve the user experience.

Leawo Prof. Media is an all-inclusive program that provides multiple solutions for digital entertainment. Leawo Prof. Media could be used as HD video converter, DVD burner, Blu-ray creator, Blu-ray converter, Blu-ray copy, Blu-ray ripper, photo slideshow video maker, photo to DVD maker, and [online](#)

[video downloader](#). It could convert video, audio and Blu-ray files in almost all formats. Converting Blu-ray to video or burn video to Blu-ray would be just a piece of cake. Besides, this program also provides user-friendly and practical features like burning slideshows to Blu-ray/DVD, editing video, specific parameter settings, 2D to 3D conversion, disc templates DIY, etc.

During coronavirus quarantine, watching videos can be one of the best methods to kill time. In the previous version, Leawo Video Downloader could download online videos except for live videos or streaming live videos. Customers expected to download streaming live videos so that they could enjoy them with their family and there came a brand new Leawo Video Downloader. It could download online videos from 1000+ sites, download live videos directly via URL link and [download other live streaming videos through M3U8 link](#).

Upgraded Features of Leawo Prof. Media Win 8.3.0.3:

- Brand new Leawo Prof. Media added the feature of downloading live videos online to the Download module. Streaming live video downloading with the M3U8 link is also available. Users are able to download their favorite online videos or live streaming videos from 1000+ video sharing sites in different resolutions for future enjoyment.
- Bugs like failure to download videos from YouTube, failure to parse video data and failure to generate DVD folder are perfectly fixed. Users can feel free to handle problems in digital with Leawo Prof. Media.

Price and availability of Leawo Prof. Media Win 8.3.0.3:

Leawo Prof. Media Win 8.3.0.3 has both a free trial version which can be downloaded via the link below and a registered version which costs only \$119.95 per year or \$209.95 with lifelong updates and prior technical support.
