

Leawo Offers Up to 40% Discount for All-in-One iOS Manager in Monthly Giveaway & Specials Activity

In 2020 November Giveaway & Specials promotion, Leawo offers Up to 40% discount for all-in-one iOS Manager. This activity lasts from Oct. 25, 2020 to Nov. 25, 2020.

Shenzhen, Nov 16, 2020 (Issuewire.com) - As a flourishing and user-oriented media software company, Leawo Software centers on media dissemination and utility software, ranging from Blu-ray/DVD practical programs to mobile software. For celebrating Halloween and November, Leawo launched its [November Giveaway & Specials activity](#) with various discounts, and this press is about to introduce Leawo all-in-one iOS Manager. Before introducing the iOS Manager, there are two noteworthy events. One is **winning a \$50 Amazon Gift Card** by SNS sharing contest, five contesters who gain the most likes from both Facebook and Twitter will receive a free register code. Another is **free giveaway activity for iTunes Music Converter**, a light yet versatile freebie named Prof. DRM Music Converter is available for everyone once participants have filled out the blank box with specific info (name and email address).

Afterwards, there is an eye-catching bundle named iOS Manager. iOS Manager is a 3-in-1 manager tool, including iTransfer, Music Recorder and Tunes Cleaner, is able to transfer iOS data for backup, record online and offline music, and clean up iTunes music library and other music libraries with ease. Leawo now offers up to 40% discount for this useful bundle.

[Leawo iTransfer](#), as an iTunes alternative, is made especially for transferring many kinds of files like music, videos, ringtones, photos, etc. among iOS devices, iTunes and PC, helping users get rid of the sync of iTunes. iTransfer can also be used as backup software to backup iPhone, iPad and iPod files to PC, bypassing Apple's restriction. Users are allowed to store files not supported by iTunes in iOS devices via iTransfer, making iOS devices as flash disks.

[Leawo Music Recorder](#) can not only record streaming audio and online music like YouTube, AOL Music etc., but also record Mic or other built-in input audio stream, and then save in MP3 or WAV format (Support MP3, WAV and W4A in Mac version). All recorded music/audio files can be applied to iTunes library. Leawo Music Recorder also allows users to manage their recordings, such as adding and editing recording tags and information, customize playlist at will, etc.

[Leawo Tunes Cleaner](#) is the most professional and easy-to-use iTunes cleaner which helps users make their iTunes music library and external music library tidy and well-organized. Being a professional iTunes cleanup program, Leawo Tunes Cleaner also acts as an iTunes duplicate remover which is able to detect and delete duplicate songs in iTunes or other music folders. Based on powerful online music database, Leawo Tunes Cleaner can find and add missing music information, including album cover, artist, album, genre, etc. automatically. Users are also allowed to edit these music tags manually.

This bundle also supports split sale. People are allowed to purchase each product separately at 30% discount because a 30% off coupon code is provided for site-wide products. There are other events like **50% off on Leawo 13-in-1 bundle** which includes Video Converter, Blu-ray Copy, Blu-ray Ripper, Blu-ray Creator, DVD Ripper, DVD Copy and DVD Creator, and **40% off on Leawo top-seller bundles and Blu-ray singles**, including Leawo Prof. Media, all-in-one iOS Manager and Prof. DRM Media Pack.
