

Luvyle Started Offering Add-On Discounts On Bulk Purchasers Of Casual Dresses For Women

Making purchases in bulk will fetch gains for buyers as company decides to offer bigger discounts than ever.

Hong Kong, Nov 23, 2020 ([IssueWire.com](https://www.issuewire.com)) - Among the online retail stores for fashion-loving women, Luvyle has already made a name and gone ahead this time with its decision to provide incremental discounts to customers, alongside those who buy in bulk. This decision came at a time when the latest trends would be available in the inventory of the site. First-time buyers and bulk purchasers are likely to benefit with the [casual dresses for women](#) too, as those can be availed too at feasible rates.

The owners have claimed that the discounts and benefits that they're rolling out will help in increasing patrons for the site. "We have been a name to contend with in the online market. Women all over the world have always appreciated our vast collection and we're keeping to the legacy too. Also, we feel there's an obligation on our end to serve those who make big purchases at our store or those who start with us. At a time when competition prevails at large, we believe this step is likely consolidate our position furthermore and also generate profits," said a senior manager who is associated with the company for long.

After explaining the policies and guidelines to avail the incremental discount schemes, the manager also added that customers should read the details to be well informed.

Luvyle has had a challenging run in an industry that's witnessing innovation at every step. The company stocks some of the best quality [cheap cute clothes](#), like tees, bottoms, dresses, shirts and winter garments as well as shoes, and funky accessories. The prices are kept minimal throughout the year, which has worked in favour of them.

At a press conference, the CEO said, "We believe in providing nothing but the best quality items. Often, customers ask if the material, fit or cuts and embroideries will meet the standard. We insist them in making a random purchase to gain a deeper understating. For those who are new buyers, they will not only gain in terms of the discounts but also feel glad after shopping at a place that they would like to visit each year. Besides, we have attractive deals and offers all over the year, all of which are big draws for customers."
