

Mohsen Avid, a very talented Iranian rapper

Special rap singing technique

Tehran, Nov 18, 2020 (Issuewire.com) - **Mohsen Avid** was born on September 8, 1993 in Iran, Tehran province

He started writing poetry professionally at the age of 12 and many singers used his poetry as a song in their music.

After he reached the age of 15, at the request of Iranian rapper Reza Pishro, he released his first official music as Be with Us in Persian.

His song attracted the attention of many audiences and after realizing his talent in writing poetry and singing, he started his professional career in rap style.

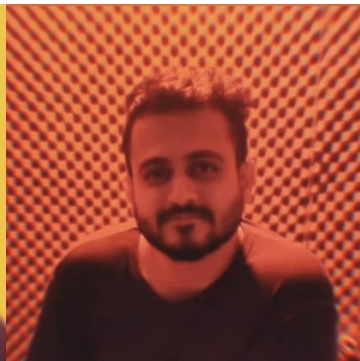

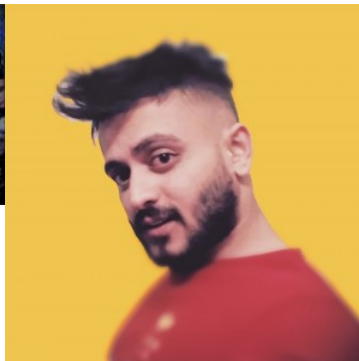

After the music was with us, he attracted a large audience. With the song "Life of Rap" in 2009, he was able to get the approval of the global network PMC to

broadcast his works and sent the music of "Life of Rap" to these networks in a music video.

Mohsen Avid's career includes more than 40 professional rap and hip hop musicians.

He was arrested in 2013 for singing and playing "My Iran" music and for political issues within the song for three months, but did not release any music after

being released for a year.
