

Mr. PRO, Drops New Cover of Maroon 5 "Memories" in Attractive Reggae Version

Mr. PRO announces a new reggae single covering Maroon 5 hit song "Memories". The track will be available on all music stream platforms.

Berlin, Nov 2, 2020 ([IssueWire.com](https://www.issuewire.com)) - A rising afrobeat and a reggae artist, Mr. PRO, drops a new track covering Maroon 5 hit song "Memories" in a reggae genre. The track will be released **on November 6th, 2020**, and be available on major music streaming platforms such as Spotify, Soundcloud, Deezer, Tidal, and many more. Previously, this talented Germany based music artist has

released around 13 inspiring tracks on music streaming providers, they include BACK TO AFRICA, Back to Biafra, R.I.P to our lost Biafrans, Europe To Lagos (Sisi Eko), feel me so, CHUKWU ABIAMA, All_Hail_Biafra, One Love, celebration time, SEXY LADY, Biafra Referendum, Give Me Love, and MARRY YOU.

Mr. PRO (@mrprochukwuma) stated, "I've been away from releasing music for a year. But now, I'm back with a full load of great music to deliver to the world. This is a new interpretation of Maroon 5 - Memories song. I hope people can enjoy that song in a reggae version. And you can dance while enjoying this music," He has proven his professionalism and integrity from this new single. He wrote love and relationship songs and also put on a good vibe and an inspiring and motivating lyric in his songs.

- PRO songs are available on Spotify <https://open.spotify.com/artist/6b3JHjn9jUzf5OJ8dOUg9T>

Maroon 5 "Memories" is a sad song about loss: The Meaning Behind Maroon 5 ~ Memories. So simply put, the theme song "Memories" is about losing someone we love. In the lyrics of the song, it is told that it was as if Adam Levine was hurt because he had 'lost' someone he loved.
