

Netflix's Smash Hit, Emily in Paris Now Virtually-Relived By Expert Parisian Tour Guide, Richard Nahem

Paris, Nov 10, 2020 ([Issuewire.com](https://www.issuewire.com)) - Netflix's Smash Hit, Emily in Paris Now Virtually-Relived By Expert Parisian Tour Guide, Richard Nahem

American ex-pat and Paris expert, Richard Nahem, who has been living in Paris since 2005, has just launched an easy-to-access Emily in Paris Filmed Locations Tour, now available for purchase at <https://www.ipreferparis.net/2020/11/emily-in-paris-video-tour-.html>

Fans of the acclaimed show can now feel more a part of the stunning Parisian scenery and learn about the iconic locations from the hit Netflix series, starring Lily Collins and created by Darren Star of Sex and the City fame. Nahem, already known across Paris and internationally for his Eye Prefer Paris blog <https://www.ipreferparis.net>, his @eyepreferparis Instagram feed, and for sharing an insider's look at the city's arrondissements, created the Emily-specific tour after falling in love with the show's humor, scenery, and clichés, to boot.

"I thought the show was such a great eye-candy travelogue—showing off the best parts of Paris. The production crew did an amazing job highlighting the food, the cafes, the monuments and architecture—and of course, the fashion. After binge-watching a few episodes, I realized I wanted to expand on all of that, and also tell people the history and culture of Paris in filmed locations. Once tourists are able to visit Paris again, I will be giving this tour in person as well," says Nahem.

Locations in Nahem's Emily in Paris Tour include L'Opéra Garnier (the Paris Opera House) where Emily

graces the screen à la Audrey Hepburn; the elegant Place Vendôme, where Emily attends an influencer party; her Latin Quarter apartment building, as well as her local boulangerie, “Le Moderne”. The tour which feels like the equivalent of virtual eye-candy is filmed and directed by director and writer Vincent Gagliostro and ends with a visual parting shot of the glittering Tour Eiffel.

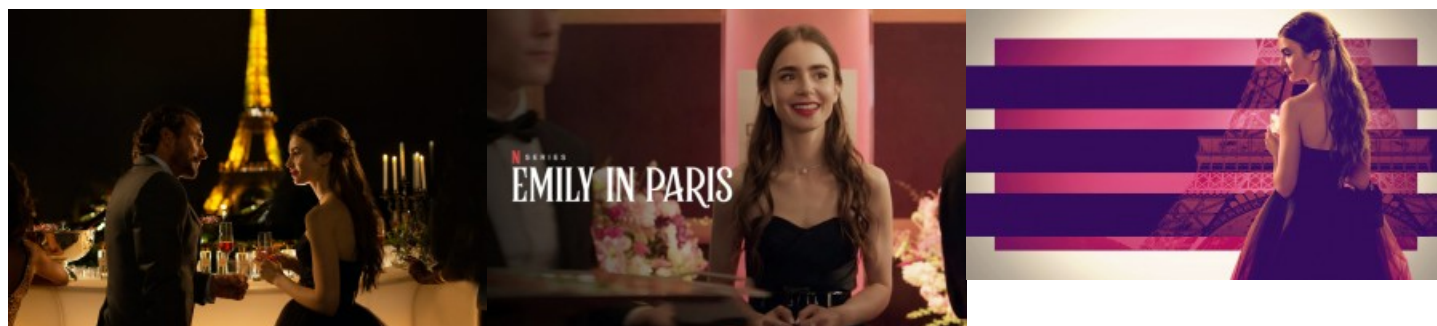

During the 24-minute tour, which costs \$12 USD to view, Nahem is at once personable, funny, and clever, as he illuminates the show’s most interesting filming locations. Given the global travel restrictions of late, Paris enthusiasts from all corners of the globe can now be transported to the city, following Emily’s stiletto heels’ footsteps. A bonus feature of note: Nahem gives an exclusive inside scoop on the apartment where Lily Collins actually stayed while filming the show in fall 2019.
