**New York City, Nov 21, 2020 ([IssueWire.com](https://www.issuewire.com))** - Recognized as a skilled dentist, Dr. Saavedra runs a small family dental practice - Gentle Dental Care - in Lawndale, California. With patients' health and well-being as a top priority, she specializes in all forms of family dentistry and orthodontics.

Since 2005, she and her staff have been committed to providing the most exceptional care possible, with services ranging from a simple cleaning to fillings, root canal treatment, and dental implants. They offer state-of-the-art equipment in a relaxed and family-friendly setting.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
