

Preetha D. Kesari, DMD, FAGD, a Dentist with Frazer Dental Care

Get to know Dentist Dr. Preetha D. Kesari, who serves patients in Frazer, Pennsylvania.

New York City, Nov 16, 2020 ([Issuewire.com](https://www.Issuewire.com)) - A part of a Chester County tradition of dental comfort & care, Dr. Kesari has dedicated her professional career to providing the best that dentistry has to offer. She is the owner & operator of Frazer Dental Care, a community-focused dental practice in Frazer, Pennsylvania.

Building the bridge toward long-term trust and successful dental care, she and her team pride themselves on taking the time to listen and get to know each patient as an individual. They use only the most advanced technologies, materials, and procedures, ensuring that comfort and satisfaction come first. With a focus on family & cosmetic dentistry, they are happy to help patients achieve beautiful smiles in a comfortable, safe & friendly environment.

A 1992 graduate of the University of Pennsylvania School of Dental Medicine, Dr. Kesari has received the International Dentist Award for academic & clinical excellence from the University of Pennsylvania. In her continuing education, she has completed courses in implant dentistry, advanced root canal treatments & cosmetic dentistry, which includes aesthetic veneers, bonding, and porcelain crowns.

Continuously educating herself on the latest dental care techniques, technologies & materials, Dr. Kesari strives to provide patients with the most advanced dental care available. In addition to being a Fellow of the Academy of General Dentistry (FAGD), she is a valued member of the American Academy of Implant Dentistry, the American Academy of Cosmetic Dentistry, and the American Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

On a more personal note, Dr. Kesari speaks English and Hindi.
