

## Premier Healthcare Professionals Completes Acquisition of Field Health Limited (Adevia Health)

An industry leader in Travel Nurse Staffing, Premier Healthcare Professionals, recently announced the acquisition of a London-based healthcare staffing firm, Field Health Limited (Adevia Health).

**Cumming, Nov 6, 2020** ([IssueWire.com](https://www.issuewire.com)) - [Premier Healthcare Professionals](#) (PHP), an Atlanta-based healthcare staffing firm, acquired Field Health Limited (Adevia Health), an international nurse recruiting firm, in a deal that was announced today.

[Adevia Health](#) is based in London, England, with locations in South Africa, Nepal, Germany & Italy.

“We are thrilled with the addition of Adevia Health and their team of 1,500 international RNs. PHP has ambitious plans for growth in the United States and through this significant step, we will gain critical mass, and more importantly, a solution to help US Hospitals and our VMS partners with their critical nurse staffing needs,” PHP CEO, [Chris Eales](#) said.

“Adevia’s management will take leadership roles at PHP,” mentioned [Eric Allison](#), Director of Corporate Development. “With the addition of Adevia Health, we are confident that PHP’s group revenues will exceed \$140MM in 2021, up from \$84MM in 2020.”

“Adevia is our third investment in the past 12 months. We expect to announce additional healthcare staffing acquisitions to the PHP Group in the near future”, stated Allison.

“The merging of Adevia and PHP puts us on pace to becoming one of the largest and fastest-growing healthcare staffing firms in the United States, creating more opportunities for our employees, clients, and candidates,” Eales said.

### About PHP

For over 20 years, Premier Healthcare Professionals has been the industry leader in domestic and international healthcare staffing, having placed healthcare professionals, and in particular Registered Nurses, on travel contracts in all 50 states in the USA and overseas. We offer assignments ranging in length from 13 weeks to 52 weeks with our client base of thousands of hospitals across the US.

PHP has been placing nurses all over the world for more than 25 years. During this time, we have learned exactly what healthcare professionals are looking for in travel assignments and adapted our business to be the best fit for these.
