

Prestige Jindal City Off To Tumkur Road

Bengaluru, Nov 4, 2020 ([Issuewire.com](https://www.issuewire.com)) - **Prestige Jindal City** is also close to Yeshwantpur, Rajajinagar, Malleshwaram, Hebbal, Dollars Colony and other major localities in the city. Travelling is convenient with the airport less than an hour away and the proposed Peripheral and Outer Ring Roads offering quick access to the highways.

Our ideal world includes our homes, workplaces, schools for our children, good hospitals, entertainment spots, favourite restaurants, shopping centres, etc. All, preferably, at the shortest distance possible. And if not close, they should be easily accessible.

Prestige Jindal City is 3,571 smart-sized housing units, built on 32 sprawling acres with a host of amenities.
